# Service Provider Solutions

**The Power of Choice.**  
**We Make Service Providers Happy**

Powered by **ioTRAN**

**ioSaaS**  
Class 5 Softswitch as a service

**ioPLATFORM**  
Own your UCaaS Softswitch

**Class 5 Softswitch - UCaaS - Rent or Own**

**We provide two simple, but powerful products** to address any organizations need to provide UCaaS and VoIP to their customers.

**ioPLATFORM**

This software is a complete Class 5 Softswitch with UCaaS desktop and mobile applications. Typically purchased by medium to large service providers.

**ioSaaS**

This is the same award winning ioPLATFORM software except that it is installed, hosted, and maintained by ioTRAN in our data centers. Typically used by small to medium size service providers.

**It's Time to Switch**
